

HYPERX

HyperX 10th Anniversary Edition

Stylish new heatspreader to celebrate ten years of extreme performance.

Kingston's HyperX®10th Anniversary Edition memory celebrates ten years of outstanding performance with a stylish silver heatspreader. It features a low profile to fit under large CPU coolers and enhanced thermal dissipation for long-term memory reliability.

Engineered to outperform the competition, HyperX 10th Anniversary Edition memory delivers impressive frequencies up to 2400MHz and high capacities up to 32GB. Users will experience higher performance as well as ultra-responsive multitasking and an overall faster system.

HyperX 10th Anniversary Edition memory is Intel XMP Ready, with XMP profiles built into the modules, so higher performing frequencies, timings and voltage are attainable by simply enabling Intel's Extreme Memory Profile. For added peace of mind, it's covered by a lifetime warranty, free technical support and legendary Kingston® reliability.

- > Stylish silver heatspreader
- > Low profile to fit under large CPU coolers
- > Fine-tuned XMP overclocking profiles

Ideal for:

- High-performance upgrades
- Workstations
- Flawless multitasking and an overall faster system
- Increased in-game FPS
- Extreme processor cooling solutions
- Unique system modifications

HyperX 10th Anniversary Edition

FEATURES/BENEFITS

- > **XMP profiles** — easy to enable, factory configured for best maximum performance
- > **Reliable** — 100-percent factory tested
- > **Compatible** — tested with all popular brands of motherboards
- > **Guaranteed** — lifetime warranty, free technical support
- > **Easy to install**

SPECIFICATIONS

- > **Capacities** 4GB, 8GB, 16GB, 32GB in kits of 2 and 4
- > **Frequency speed** 1600MHz–2400MHz
- > **Operating Temperature** 0°C to 85°C
- > **Storage Temperature** -55°C to 100°C
- > **Dimensions** 133.35mm X 30mm
- > **Available in a variety of CAS Latencies**
- > **Voltage** 1.35V–1.65V
- > **Compatible** tested with all popular brands of motherboards
- > **DDR3 only**
