## Kingston DataTraveler

five-year warranty | free technical support

**Lighten your load without emptying your wallet. Get affordable, mobile USB storage.**

Now you can store, carry and transfer large files in an affordable, convenient device. The DataTraveler® from Kingston® helps budget-conscious users break storage barriers, allowing them to easily store and move large files in a device no bigger than a pocketknife. DataTraveler replaces the need for floppies and the hassle of CDs.

As easy as click and drag, the DataTraveler can hold just about any file you can think of — term papers, theses, digital images, spreadsheets or other important documents. It works with virtually any computer with a USB port — even cross-platform from Macintosh® to PC and vice versa. The DataTraveler is also a great promotional item for businesses; your company logo can appear on it to increase your brand-recognition.

Backed by a five-year warranty and Kingston's legendary service and support, the DataTraveler is a reliable, inexpensive solution for carrying digital files with you wherever you go.
