

KingstonCare now offers free data recovery from DriveSavers for business-class SSDs

Continuing its commitment to provide best-in-class support, Kingston® is offering data recovery services by DriveSavers®, as a new benefit available for solid-state drive (SSD) corporate customers as part of KingstonCare.

Designed to keep businesses up and running, the partnership forged with DriveSavers provides specialized data recovery capabilities on Kingston SSDNow KC or E series business-class SSDs in the United States. Exclusive KingstonCare features include:

- Economy data recovery (a \$2,700 value)
- 5-7 business day turnaround time
- Discounts on upgraded services (1-2 business day and priority ASAP service)

More information on DriveSavers is available at: kingston.com/us/kingstoncare

Talk to your Kingston sales team to add this valuable program to your existing KingstonCare agreement.

*Valid for corporate customers who have DriveSavers added to their existing KingstonCare agreement. Work performed by DriveSavers will not void the original SSD warranty.
