17600 Newhope Street
Fountain Valley, CA 92708
USA

Parts Affected: D1G64KL110
KAC-VR316L/8G
KTD-XPS730CL/8G
KTH9600CL/8G
KTL-TC316L/8G

Part Description: 8GB DDR3L-1600 DIMM 1.35V for OEM Client Systems

Type of Change: End of Life (Discontinued)

Reason for Change: To reduce the number client (desktop / notebook) system-specific part numbers for supported OEM systems, Kingston has consolidated part numbers of identical builds to a common part number. This strategy reduced redundant channel inventory and lowered costs for Kingston and our distribution partners. All warranties/guarantees remain the same.

Replacement Part: KCP3L16ND8/8

Part Description: 8GB DDR3L-1600 DIMM 1.35V for OEM Client Systems

Phase Out Notice: January 25, 2016

End of Life Date: March 22, 2016
