KTL-TC316S/4G

Part Description: 4GB DDR3-1600 DIMM 1.5V for OEM Client Systems

Type of Change: End of Life (Discontinued)

Reason for Change: To reduce the number client (desktop / notebook) system-specific part numbers for supported OEM systems, Kingston has consolidated part numbers of identical builds to a common part number. This strategy reduced redundant channel inventory and lowered costs for Kingston and our distribution partners. All warranties/guarantees remain the same.

Replacement Part: KCP316NS8/4

Part Description: 4GB DDR3-1600 DIMM 1.5V for OEM Client Systems

Phase Out Notice: January 25, 2016

End of Life Date: March 22, 2016
