\* urDrive is optional; Internet required for some features and apps. Apps subject to availability.

\*\* 32GB not available in all regions.

\*\*\* Speed may vary due to host and device configuration.

† Some of the listed capacity on a Flash storage device is used for formatting and other functions and thus is not available for data storage. As such, the actual available capacity for data storage is less than what is listed on the products. For more information, go to Kingston's Flash Guide at [kingston.com/flash\\_memory\\_guide](http://kingston.com/flash_memory_guide).

†† Up to 4ft; conforms to IEC 60529 IPX8. Product must be clean and dry before use.
