Do more, share more, store more.

Now you can store, carry and transfer files in an affordable, convenient device. DataTraveler® from Kingston® helps budget-conscious users break storage barriers, allowing them to easily store and move files in a device no bigger than a pocketknife.

As easy as click and drag, DataTraveler can hold just about any file you can think of — term papers, theses, digital images, spreadsheets or other important documents. It works with virtually any computer with a USB port. DataTraveler is also a great promotional item for businesses; your company logo can appear on it to increase your brand recognition, and it comes in multiple colors based on capacity.

Backed by a five-year warranty and Kingston's legendary service and support, DataTraveler is a reliable, inexpensive solution for carrying digital files with you wherever you go.
